Work Experience

Executive Content Writer (Technical and Business)

Simple Logic IT | Vikhroli, Maharashtra | July 2024-Jan 2026

- Wrote, edited, and proofread 40+ long-form articles for a full website revamp, improving readability scores by 30% and strengthening on-page SEO across all service pages.
- Consistently delivered SEO-optimised blogs, landing pages, and feature articles, helping grow organic search visibility by 40% within months.
- Worked with writers, editors, and designers across 5 SaaS products to manage website content and landing pages, maintaining consistent quality and brand voice throughout.
- Monitored trends in IT, sales, automation, and AI to align content with target keywords and user search intent, supporting steady organic growth.
- Developed specialized content strategies for IT and compliance leaders within the BFSI, FMCG, and government sectors, focusing on their specific pain points.
- Optimised web pages with structured titles, headers, meta descriptions, internal links, and alt-tagged images to improve SEO performance and site navigation.
- Wrote headlines, captions, and taglines for social media and email campaigns, increasing audience engagement across LinkedIn, Twitter/X, Facebook, and Instagram.
- Scripted videos, webinars, and podcasts with clear, targeted messaging that connected with audiences and supported lead generation goals.
- Developed targeted content strategies for key stakeholders (IT Managers and Compliance Officers) across BFSI, FMCG, and Government sectors, ensuring 100% alignment with industry-specific regulatory requirements. Managed content calendars for 5 products simultaneously, meeting 100% of deadlines without compromising quality.

Freelance Content Writer

Halo Media Works | Remote, India | Jan 2024-July 2024

- Researched, wrote, and proofread 15+ SEO-optimised blogs (800–1,200 words each), achieving original content that met client readability and engagement benchmarks.

- Partnered with editors and creative teams to align each piece with brand messaging, client vision, and audience preferences — delivering final submissions with zero revision requests.
- Crafted audience-first content balancing educational value with user intent, upholding consistent brand voice and SEO best practices across all deliverables.

Freelance Content Writer

Rubani | Remote, India | July 2023-Dec 2023

- Produced and proofread 3–4 research-backed blogs weekly (1,000+ words each), publishing 40+ original articles over 3 months that expanded the brand's digital footprint.
- Introduced a structured proofreading workflow in collaboration with the team, cutting published errors by 25% across all platforms while sustaining brand voice consistency.
- Monitored audience engagement data to sharpen content strategy, improving readability and lifting average time-on-page by 20% across the company blog.

Internship Financial Content Writer

Startup Lanes | Remote, India | April 2023-June 2023

- Developed compelling, original assets (blogs, social copy, promotions) that directly supported the marketing objectives of early-stage fintech startups.
- Drove a 15% growth in follower engagement across LinkedIn, Twitter, Facebook, and Instagram through consistent, branded messaging updates.
- Conducted analysis of startup/fintech market dynamics to inform content strategy, executing social campaigns that successfully heightened brand visibility.
- Authored persuasive founder profiles and success narratives tailored for investors and potential stakeholders, effectively capturing client vision.
